The City of Hackensack ("City") records custodian received your Open Public Records Act ("OPRA") request on November 14, 2022. As such, the seven business day deadline to respond to your request is November 23, 2022. This response is therefore being timely submitted in accordance with New Jersey law. See N.J.S.A. 47:1A-5.

RECORDS RESPONSE: All responsive records found pertaining to the following:

1. List of current Open Tax Lien Report and the Delinquent Property Tax Report.
2. Code Violations List – Building, Zoning, Property Maintenance (all three compiled onto one spread sheet) and Health violations since 1/1/2022 to present has been provided.
 - Please be advised, the Fire Department cannot conduct a search for violations without an actual address as their system does not allow for whole City searches – no records found for open Fire code violations.

Your OPRA request is now deemed answered and closed.

Thank you for your attention to this matter.

7/27/22 email from Jan: I received a call from a resident today regarding 181 Allen St. I was advised that new tenants recently moved in and there may be an overcrowding issue. I was told there could be up to 30 people living in the home. There were people moving multiple mattresses in the home at different times. There is also a noise and garbage issue. There is bags of recycling/garbage in the driveway and they BBQ in the driveway as well. They are causing a nuisance and disturbing the neighbors. Please investigate and advise.

**251 Main St. ** Engine 4 responded to 251 Main St. for a reported Hazardous Condition, called in by PD. HPD received a call from a business owner across the street that he thought the Salon was being robbed because he saw men inside after hours. PD arrived on scene and found three men sleeping in the back of the Salon on a mattress. PD notified FD to respond because of suspicious electrical/construction. FD investigated to find construction equipment, hand tools, and some containers above the ceiling of the rear portion of the store. The Building Department was notified and responded. A notification was made to the Fire Official. The store owner (Blanca Leado, 201-506-8270) arrived on scene and stated that men were in town for the weekend for her birthday and had nowhere else to stay so she allowed them to sleep at the store. The Building Department was to cite the owner for violation for the ceiling construction. There were no other hazards in the store. HPD remained on scene.

I was told there could be up to 30 people living in the home. There were people moving multiple mattresses in the home at different times. There is also a noise and garbage issue. There is bags of recycling/garbage in the driveway and they BBQ in the driveway as well. They are causing a nuisance and disturbing the neighbors. Please investigate and advise.

**251 Main St. ** Engine 4 responded to 251 Main St. for a reported Hazardous Condition, called in by PD. HPD received a call from a business owner across the street that he thought the Salon was being robbed because he saw men inside after hours. PD arrived on scene and found three men sleeping in the back of the Salon on a mattress. PD notified PD to respond because of suspicious electrical/construction. E4 investigated to find construction equipment, hand tools, and some containers above the ceiling of the rear portion of the store. The Building Department was notified and responded. A notification was made to the Fire Official. The store owner (Blanca Lezard, 201-906-6270) arrived on scene and stated that men were in town for the weekend for her birthday and had nowhere else to stay so she allowed them to sleep at the store. The Building Department was to cite the owner for violation for the ceiling construction. There were no other hazards in the store. HPD remained on scene.
