minor site plan is one that does not have to go before the Planning or Zoning Board. This includes site plans for single family dwellings, pools, fences, garages attached or detached associated with a residence, storage sheds, barns, decks or any other improvement determined by the construction office within their jurisdiction of review. The construction office has the right to defer any minor site plan to the planning or zoning boards at the office's discretion if there is a good reason.

Landlord Lead Paint Application. Lead-free/safe Certification.

All rental properties 1978 or older must apply before a new tenant moves or every 3 years, whichever is earlier for a Visual Only Inspection from the Township inspector as per the State of New Jersey as per N.J.S.A 52:27D-437.16. This application is in addition to the Certificate of Occupancy applications and Annual Landlord application required by the Township.
