minor site plan is one that does not have to go before
a Planning or Zoning Board. This includes site plans for
single family dwellings, pools, fences, garages attached or
detached associated with a residence, storage sheds, barns,
additions or any other improvement determined by the
construction office within their jurisdiction of review.
The construction office has the right to defer any minor
site plan to the planning or zoning boards at the office's
discretion if there is a good reason.
