Title Membrane structures. [Added 4-25-2000 by Ord. No. 354-2L-00; amended 9-24-2001 by Ord.

A. All membrane structures must meet the required setbacks associated with accessory structures as specified for the applicable zone indicated in the Schedule of Area, Yard and Building Requirements referred to in § 245-10. Editor's Note: The Schedule is included at the end of this chapter. Furthermore, no membrane structure shall be erected within 15 feet of the water's edge. The maximum height of any membrane structure shall not exceed 25 feet. A membrane structure shall not be constructed under or within 10 feet of any overhead wiring.

B. No advertising shall be permitted on any membrane structure.

C. Upon an applicant filing a permit application with the Township Division of Inspections and subject to the location requirements above, if approved an applicant may erect a membrane structure for a period not to exceed six months during a twelve-month consecutive period unless approved by the Board of Adjustment or the Planning Board. The application will have a certification indicating that the applicant will remove said membrane structure by a specific date or be subject to a penalty not to exceed the penalty in § 245-329. Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I)

Summary of infraction

This notice is to advise you that the above property is in violation for the following: You must come into the building department to apply for a permit to legalize the membrane structure or remove it.
