RE: Open Public Records Act (OPRA) Request – received January 5, 2022 – 2022-000101

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

- 5. A list of all residential single family and multi family properties that are delinquent on their utilities. Address, owner name, and balance owed provided please.**
- 6. A list of all residential single family and multi family properties that are flagged abandoned.**
- 7. A list of all residential single family and multi family properties that are fire damaged in the past month.**
- 8. A list of all residential single family and multi family properties that have had their utilities shut off for 6+ months**

The Construction Department has stated there were no properties with fire damage in the past month. The Monroe Township Utility Department does not keep records of residential or multi-family properties that have delinquent water and sewer balances for prior quarters. The Monroe Township Utility Department does not shut off residential or multi-family customers, only for scheduled maintenance or repairs. Monroe Township does not maintain a list of abandoned properties.

If you have any further questions regarding this request, I can be reached at AGonzalez@monroetwp.com or 732-656-4573.

Sincerely,

Alicia Gonzalez
