Reviewed issue with owner of Just Delicious, it was found that the property owner owns several rental units on this parcel. All the tenants handle the waste the same way. It is placed at the curb line the night before pick-up in plastic bags on Chapel St. Called the property owner, Al [REDACTED] and advised him to provide proper trash receptacles for his tenants and all trash to be placed in cans. This is the first time of hearing of this concern and in my normal route have never seen trash being left out for days at a time.

November 29, 2021 11:04	Yes	Dear Mr Portine, I have received your letter and will happily make the repair, unfortunately, there was too much rain in the forecast to complete the job and I am now out of town through Sunday. I would kindly appreciate an extension on this issue in the event the weather doesn't cooperate on the weekends (I don't get home from work until it is dark). Many thanks! Pamela Reitz-Bouren [REDACTED]	DCS - Property Maintenance Inspector - L
November 29, 2021 11:05	Yes	Dear Ms. Reitz-Bouren, I can extend the time until December 31, 2021. It is late in the season and weather will be a big factor. Should this extension in time not be sufficient due to weather the repair will have to be done next year. Please make every effort to have this completed before then. Thank you for your cooperation. Respectfully, Leon Portine	DCS - Property Maintenance Inspector - L
