To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

5. A list of all residential single family and multi family properties that are delinquent on their utilities. Address, owner name, and balance owed provided please.

The Utility Department does not keep records of residential properties that have delinquent water and sewer balances for prior quarters.

6. A list of all residential single family and multi family properties that are flagged abandoned.

The Clerk's Office has stated the Township does not maintain a list of abandoned properties.

7. A list of all residential single family and multi family properties that are fire damaged in the past month.

The Construction Department has stated there were no properties with fire damage for the requested time period.

8. A list of all residential single family and multi family properties that have had their utilities shut off for 6+ months

The Utility Department has stated they do not shut off residential customers, only for scheduled maintenance or repairs.

If you have any further questions regarding this request, I can be reached at AGonzalez@monroetwp.com or 732-656-4573.
