RE: Open Public Records Act (OPRA) Request – received June 21, 2022 – 2022-00614

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

- 1. Addresses of all residential properties (Property Class 2) that are marked as vacant and/or abandoned**
- 2. Addresses of all residential properties (Property Class 2) that are marked as condemned**
- 3. Addresses of all residential properties (Property Class 2) that have had a notice of abatement issued, specifically from 1/1/2022 to the present day**
- 4. Addresses of all residential properties (Property Class 2) that are fire damaged, specifically from 1/1/2022 to the present day**
- 5. Addresses of all residential properties with delinquent property taxes, specifically for the past 2 quarters**
- 6. Addresses of all residential properties with delinquent water and sewer bills, specifically for the past 2 quarters**
- 7. Addresses of all residential properties with an active municipal owned lien**
- 8. Addresses of all residential properties that have had a code enforcement complaint opened for high grass and/or junk/debris, specifically from 1/1/2022 to the present day**

The Construction Department has provided the notice of orders and unsafe structures lists. The Tax Collector has provided the requested list. The Tax Assessor has stated there are no abatements in Monroe Township therefore they have no responsive documents. The Zoning Officer has stated there is no list of addresses with complaints therefore they have no responsive documents for this request. The Utility Department will need a two-week (July 14, 2022) extension to gather any responsive documents for this request. Monroe Township has three (3) fire districts which are separate entities and not part of the municipal corporation. All records will have to be requested from that fire district as follows:

467 Spotswood-Englishtown Rd.
