July 16, 1999.

Mr. Walt Pyciak
1596 W. Princeton Ave.
Brick, NJ 08723
Subject: Concrete demolition and removal

Walt:

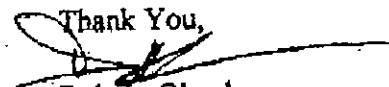

Please accept this as the proposal set forth by D & D Disposal for the following:

1. Demo and remove concrete driveway, (2) walkways, (2) stair landings (back yard), front porch
2. Rough grade dirt sections on each side of driveway to approximately 4" below grade. Customer acknowledges that grading will be done by machine and may require some hand grading to be done by mason.

Work will commence upon mutually agreeable date between Contractor and Customer. Customer acknowledges that completion time is approximately (2) working days (weather permitting).

The price for this job is \$1650.00. This estimate has been prepared using information provided by Customer. Specifically, the poured concrete contains no wire, and the porch foundation is approximately 4" below grade. Should this information be incorrect, Contractor will immediately notify Customer of any additional fees (if necessary) and will not proceed without authorization. If work is stopped by Customer for any reason, Customer will be responsible for all tool rental fees (Bobcat and air hammer) and \$50/hour labor including time to rent and return tools (Bobcat and air hammer).

For your reporting to Brick Township, here is my license information: DEP# 19744 Decal #05979. Dump tickets will be furnished to Customer via US Mail within 48 hours of completion of job.
