The following violation(s) were found

Section 390-24

Title Nonresidential establishment compliance requirements.

- A. All commercial or institutional generators of solid waste shall be required to comply with the provisions of this article.
- B. The arrangement for collection of designated recyclables hereunder shall be the responsibility of the commercial, institutional or industrial property owner or his, her or its designee, unless the municipality provides for the collection of designated recyclable materials. All commercial, institutional or industrial properties which provide outdoor litter receptacles and disposal service for their contents shall also provide receptacles for designated recyclable materials, for those materials commonly deposited, in the location of the litter receptacle, and shall provide for separate recycling service for their contents.
- C. Every business, institution, or industrial facility shall report, on an annual basis, to the Recycling Coordinator, on such forms as may be prescribed, on recycling activities at their premises, including the amount of recycled material, by material type, collected and recycled and the vendor or vendors providing recycling service.
- D. All food service establishments, as defined in N.J.A.C. 8:24-1.5, shall, in addition to compliance with all other recycling requirements, be required to recycle grease and/or cooking oil created in the processing of food or food products, and maintain such records as may be prescribed, for inspection by any code enforcement officer.
- E. All nonresidential uses shall comply with the requirements of § 245-374, Solid waste storage.
