J#92-038

Dear Mr. Chussler:

In regards to the above captioned project, the tenant has elected to remove the existing masonry walls and existing ceilings pertaining to the small office area that is shown in the rear right hand corner of the leased premises. These walls are non-structural, and present no problems to any existing structures or any proposed construction.

Also, as per your direction, a smoke detector shall be installed at the underside of the existing roof, above this same location, due to the nature of the condition of the existing demising wall between the "Karin's Kurtains" store and the existing "Cost-Cutters" store.

Sincerely,

Patrick A. Marchetta,A.I.A., P.P.
