RE: Mandatory Development Fee
Block 1149, Lot 5 ~ Vanilla Box, 1930 Rt 88

To Whom It May Concern:

The Township of Brick has enacted Ordinance 354-2C-93 in conjunction with our Fair Share Plan, which was certified by the New Jersey Council on Affordable Housing on February 3, 1993.

This Ordinance requires that commercial development applicants pay a fee in the amount of one percent of the assessed value per project. The municipal Tax Assessor has estimated the value of the work to be completed under the construction permit application received on August 20, 1999, for the above block and lot at \$22,500.00, resulting in an estimated fee of \$225.00.

Therefore, you are required to submit one half of the estimated fee (\$112.50) in the form of a check made payable to the Township of Brick for deposit into the Affordable Housing Trust Fund. Upon your request for a final Certificate of Occupancy/Approval, your permit application will again be processed. If the assessed value is adjusted at that time, the balance due on your account will be adjusted accordingly. All remaining fees will be collected prior to issuance of the Certificate of Occupancy.

May I suggest that you contact this office approximately two weeks prior to your request for a C.O. so as to allow adequate time for the Assessor to conduct a final evaluation of the site.

If you have any questions, please contact me.

Sincerely,

Carol A. Wolfe
