We have been advised by the contractor for the above referenced project, that upon submittal of the plans for the Burner Conversion he was told the plans would not be processed until the Township received a letter stating what was being done about the underground tanks at the school.

Please be advised that there is a contract out for bid for the removal of these tanks according to all federal, state, and local regulations.

If you have any questions or require any further information, please contact the Brick Board of Education or this office.
