RE: FINAL ELIGIBLE COSTS: (FEC) DETERMINATION OF A SCHOOL FACILITIES PROJECT FOR A REGULAR OPERATING DISTRICT, NOT INCLUDING A COUNTY VOCATIONAL SCHOOL DISTRICT, SEEKING A GRANT PURSUANT TO THE EDUCATIONAL FACILITIES CONSTRUCTION AND FINANCING ACT (EFCFA), P.L. 2000, c.72, AS AMENDED.

THIS PROJECT DOES NOT IMPACT EDUCATIONAL ADEQUACY AND IS NOT SUBJECT TO DOE FINAL EDUCATIONAL ADEQUACY REVIEW

**State Project # 0530-040-14-1013 – G04
Herbertsville Elementary School
Brick Town School District
Ocean County**

Dear Dr. Uszenski:

Your District has submitted an application for a school facilities project pursuant to Section 5 of the Educational Facilities Construction and Financing Act, P.L. 2000, c.72 ("EFCFA" or the "Act") and the New Jersey Department of Education implementing regulations at N.J.A.C. 6A:26-1 et seq. ("Regulations"). The New Jersey Department of Education-Office of School Facilities ("Department") reviewed the project application, and based on its review, issued a letter of approval. At this time, the Department hereby makes the following determination on final eligible costs ("FEC") pursuant to N.J.S.A. 18A:7G-5 and N.J.A.C. 6A:26-3.6.

a. State funding support
Grant

b. Determination of FEC

The District did not appeal the determination of PEC. Therefore, the PEC becomes the FEC.

The District's aid percentage as defined in Section 3 of the Act, N.J.S.A. 18A:7G-3 is 7.7786%, and State share will be equal to 100% of that percentage, except that it will not be less than 40% of final eligible costs.

Pursuant to N.J.S.A. 18A:7G-5, the following are FEC for the school facilities project and the State and local share:

Total Project Costs	\$130,000
Total State Share of Project Costs	\$52,000
Total Local Share of Project Costs	\$78,000

II. Conclusions:

This letter has provided a determination with respect to FEC. FEC establishes a **maximum** dollar amount of eligible costs. If the local share is less than the dollar amount stated in this letter, the State share will be decreased proportionally. The State share may also be adjusted downward if the total costs to complete the school facilities project are less than the amount of FEC stated in this letter. If the project has additional costs they shall be funded through local share.

Please be advised that no school facilities project will be constructed unless, if there is a local support amount, such local support has received approval as set forth in N.J.A.C. 6A:26-3.7. Districts issuing school bonds to fund any part of the local support must notify the Finance Office in the Department and the Executive County Superintendent of schools when approval is obtained, provide each with the schedule for issuance of school bonds, and notify the Executive County Superintendent within 30 days of the issuance of the school bonds. In accordance with N.J.A.C. 6A:26-18.5, districts must obtain the local share within 18 months of the date of this letter (date of the FEC determination). If the District has elected State support in the form of a grant, it must add the New Jersey Schools Development Authority ("NJSDA") to the parties notified. If the District determines to fund the entire local support through a means other than school bonds, it must obtain approval of necessary line-items in the budget, obtain separate voter or board of school estimate approval of the expenditure of local support, or make withdrawals from capital reserve in accordance with N.J.A.C. 6A:26-3.7 and regulations referenced therein, or evidence of approval and financial commitment to fund a lease purchase agreement. If the local share is funded through sources other than school bonds, such as gifts, grants, other private sources, or other public funds such as municipal surplus, the District must

provide the NJSDA evidence that the funds have been committed and are authorized for use for the school facilities project pursuant to the terms of the funding source and applicable law.

The district may advance the project, including review for Uniform Construction Code ("UCC") compliance as required. If the district submitted a Release Request Form with its project application requesting municipal code enforcing agency review of plans for UCC conformance, the Department forwarded the form to the New Jersey Department of Community Affairs with a copy of the project determination letter for their action. If a Release Request Form was not submitted with the project application and the district prefers to have the municipal code enforcing agency review its plans for UCC conformance, a completed Release Request Form including State project number should be sent directly to the New Jersey Department of Community Affairs, Division of Codes and Standards, Education Unit.

Please contact Glenn Ferguson, manager, Office of School Facilities, at (609) 943.5674 with any questions regarding this matter.

Sincerely,

Bernard E. Piaia, Jr.
