CERTIFICATION IN LIEU OF OATH

I. OWNER SECTION (to be completed if the applicant is the owner in fee)

I hereby certify that I am the owner in fee of the property listed on Page 1.

Mark the following applicable boxes:

- A. ☐ I further certify that a new home (private residence) will be constructed on this property for my own use and occupancy. This dwelling is to be occupied by myself and is not to be used for any purpose other than single family residential use. I attest that all construction, plumbing, or electrical work will be done, in whole or in part, by me or by subcontractors under my supervision, in accordance with all applicable laws; and, I further acknowledge that said new home is not covered under the New Home Warranty and Builders Registration Act (N.J.S.A. 46:3B-1 et seq.) and that such fact shall be disclosed to any person purchasing this property within ten years of the date of issuance of a certificate of occupancy.

I UNDERSTAND THAT IN MARKING BOX A, I ACKNOWLEDGE THAT I AM ASSUMING RESPONSIBILITY FOR THE WORK DONE ON SAID PROPERTY, THE CONDITION OF THE PROPERTY PRIOR TO, DURING, AND AFTER ANY WORK PERFORMED, AND FOR THE PERFORMANCE OF THE SUBCONTRACTORS I HIRE, EMPLOY, OR OTHERWISE CONTRACT OR WITH WHOM I MAKE AGREEMENTS TO PERFORM WORK. I AM VOLUNTARILY AND KNOWINGLY ASSUMING THIS RESPONSIBILITY.

- B. ☐ I further certify the following as required by the New Jersey Uniform Construction Code, N.J.A.C. 5:23-2.15(e)1.vii:

I personally prepared the plans submitted for: 1) the new home referred to in A.; or, 2) an addition, alteration, renovation, or repair to an existing single family residence owned and occupied by myself and located on the property listed on Page 1; or, 3) a new structure that will be physically separate from, but that will be deemed part of, an existing single family residence that is owned and occupied by myself and located on the property listed on Page 1.

- C. ☐ I further certify that I will perform or supervise the following work:

C.1. ☐ Building C.2. ☐ Fire Protection

I further certify that I will perform the following work:

C.3. ☐ Electrical C.4. ☐ Plumbing

- D. ☐ I agree to advise all contractors on this project that they are required to be registered with the New Jersey Division of Taxation and to comply with all New Jersey tax laws.

I further certify the following as required by the Uniform Construction Code, N.J.A.C. 5:23-2.15(a)5: All required State, county, and local prior approvals have been given, including such certification as the construction official may require.

I understand that if any of the above statements are willfully false, I am subject to punishment.

Date

4/15/03

II. AGENT SECTION (to be completed if the applicant is not the owner in fee)

I hereby certify the following as required by the Uniform Construction Code, N.J.A.C. 5:32-2.15(d): the proposed work is authorized by the owner in fee; and I have been authorized by the owner in fee to make this application as his agent.

I further certify the following as required by the Uniform Construction Code, N.J.A.C. 5:23-2.15(a)5: All required State, county, and local prior approvals have been given, including such certification as the construction official may require.

I agree to advise all contractors on this project that they are required to be registered with the New Jersey Division of Taxation and to comply with all New Jersey tax laws.

I understand that if any of the above statements are willfully false, I am subject to punishment.

Certificate Comments:

☐ **Certificate of Occupancy**

This serves notice that said building or structure has been constructed in accordance with the New Jersey Uniform Construction Code and is approved for occupancy.

☒ **Certificate of Approval**

This serves notice that the work completed has been constructed or installed in accordance with the New Jersey Uniform Construction Code and is approved. If the permit was issued for minor work, this certificate was based upon what was visible at the time of inspection.

☐ **Certificate of Continued Occupancy**

This serves notice that based on a general inspection of the visible parts of the building there are no imminent hazards and the building is approved for continued occupancy.

☐ **Temporary Certificate of Compliance**

The following conditions must be met no later than or the owner will be subject to fine or order to vacate:

This certificate has an expiration date of:

Conditions to be met:

☐ **Certificate of Clearance - Lead Abatement 5:17**

This serves notice that based on written certification, lead abatement was performed as per NJAC5:17 to the following extent.

- ☐ Total removal of lead-based paint hazards in scope of work
☐ Partial or limited time period (years); see file

☐ **Certificate of Clearance - Asbestos Abatement**

This serves notice that based on written certification, asbestos abatement was performed to the following extent.

- ☐ Total removal of asbestos hazards in scope of work
☐ Partial or limited time period (years); see file

☐ **Certificate of Compliance**

This serves notice that said potentially hazardous equipment has been installed and/or maintained in accordance with the New Jersey Uniform Construction Code and is approved for use until

☐ **Temporary Certificate of Occupancy**

The following conditions must be met no later than: or the owner will be subject to fine or order to vacate:

This certificate has an expiration date of:

HOMEOWNER'S POOL CERTIFICATION

FENCE REQUIREMENTS:

Outdoor private swimming pool: An outdoor private swimming pool, includes an in-ground, above-ground or on-ground pool, hot tub or spa shall comply with the following.

1. The top of the barrier shall be at least 48 inches above finished ground level measured on the side of the barrier which faces away from the swimming pool. The maximum vertical clearance between finished ground level and the barrier shall be 2 inches measured on the side of the barrier which faces away from the swimming pool. Where the top of the pool structure is above finished ground level, such as an above-ground pool, the barrier shall be at finished ground level, such as the pool structure, or shall be mounted on top of the pool structure. Where the barrier is mounted on the pool structure, the opening between the top surface of the pool frame and the bottom of the barrier shall not allow passage of a 4 inch diameter sphere.
2. Openings in the barrier shall not allow passage of a 4 inch diameter sphere.
3. Solid barriers shall not contain indentations or protrusions except for normal construction tolerances and tooled masonry joints.
4. Where the barrier is composed of horizontal and vertical members and the distance between the tops of the horizontal members is less than 45 inches, the horizontal members shall be located on the swimming pool side of the fence. Spacing between vertical members shall not exceed 1 1/4 inches in width. Decorative cutouts shall not exceed 1 1/4 inches in width.
5. Where the barrier is composed of horizontal and vertical members and the distance between the tops of the horizontal members is 45 inches or more, spacing between vertical members shall not exceed 4 inches. Decorative cutouts shall not exceed 1 1/4 inches in width.
6. Maximum mesh size for chain link fences shall be a 1 1/4 inch square unless the fence is provided with slats fastened at the top or the bottom which reduce the openings to not more than 1 1/4 inches.
7. Where the barrier is composed of diagonal members, such as a lattice fence, the maximum opening formed by the diagonal members shall be not more than 1 1/4 inches.
8. Access gates shall comply with the requirements of items 1 through 7] and shall be equipped to accommodate a locking device. Pedestrian access gates shall open outwards away from the pool and shall be self-closing and have a self-latching device. Gates other than pedestrian access gates shall have a self-latching device. Where the release mechanism of the self-latching device is located less than 54 inches from the bottom of the gate: (a) the release mechanism shall be located on the pool side of the gate at least 3 inches below the top of the gate and; (b) the gate and barrier shall not have an opening greater than 1/2 inch within 18 inches of the release mechanism.

BLOCK: 117005 LOT: 2 ADDRESS: 122 Walter Rd.

In accordance with the NJAC 5:23-2.23, no pool shall be used in whole or in part until a Certificate of Approval has been issued by the Construction Official.

I certify that I am the owner of the above referenced pool being built. I further certify that the pool will not be used in whole or in part until a permanent fence is installed and a Certificate of Approval has been issued by the Construction Official.

I have read the fence requirements listed above and understand them.

Experience...Quality...Service...Price.....Anything Less Just Won't Do!

Letter From Our President...

Dear Friends,

We at Branch Brook Company are very happy you have considered us for your new pool purchase. Over the past 65 years it has been the goal of our company to set the standard for professional and courteous service within the retail industry. We feel that selling your new swimming pool is only the beginning of a long and happy relationship between your family and Branch Brook Company. We know that it is important to earn your trust. We have found maintaining fair, value based pricing and, treating every customer with the respect and personal attention that we ourselves would expect, is the only way to gain your long-term confidence. In fact we are proud of the fact that some of our customers are third generation pool owners. Not only have we sold pools to their Parents but to their Grandparents as well.

You will find, among our staff, some of the pool industries foremost experts. On average, each staff member has been selling, servicing and helping customers for 14 years. You can rely on each and every one of them for expert guidance and to be able to answer almost every question you may have regarding your purchase of the new Family pool. You will find that, by having access to this information, your decision-making process will be a pleasurable experience leading to many years of enjoyment as a pool owner.

Our dedication and desire to provide our customers with quality and value has been our driving force in delivering more than you expect from a pool company. When you visit Branch Brook Company you will learn why we have become a favorite among shoppers of swimming pools, spas, patio furniture and billiards for four generations of customers. Our professional staff is looking forward to providing the best possible service you can find in the New Jersey pool market.

Sincerely,

Kevin Ventrice
President

Newark • Hazlet • Brick • Cinnaminson • Rockaway • Green Brook

who are we?

A Branch Brook Pool is your backyard retreat from stress and concerns of the world...

Branch Brook Company is a fourth generation family business which enjoys the distinction of being one of the oldest retail establishments in New Jersey. We believe the reason for our history of success in the fiercely competitive pool industry can be attributed to our providing each and every customer with the personal attention and professional service they deserve. Since 1938, we have developed and maintained relationships with generations of loyal Branch Brook customers, an accomplishment which speaks volumes about our understanding of our customer's needs and about our unwavering commitment to servicing those needs. One reliable means of ensuring customer satisfaction is simply providing our customers with a

superior product at a great price. Another way is to go the extra mile for our customers by offering services which are not readily available from other retailers. For example, all pools sold by Branch Brook Company are manufactured in New Jersey, and each of our convenient locations features a complete parts department, we can eliminate the

interminable delays and costly freight charges often experienced when ordering a repair or replacement part from distant manufacturers. We also offer full warranties on every pool and pool product we sell, and can conveniently process any and all warranty claims right in our stores. With special services such as these, it's easy to see why Branch Brook Company has grown to become an acknowledged leader in the pool industry.

Aerial photo of Swim'n Play's 250,000 square foot manufacturing complex in Rahway, New Jersey.

Swim'n Play, Inc. is an above-ground pool manufacturer founded in 1975 by the owners of Branch Brook Company in order to better control product quality and to develop and implement various improvements and features sought by their customers. They never imagined that their improved products would be so well received. To date, Swim'n Play, Inc. has grown to become one of the top manufacturers of above-ground pools and accessories in the United States, and internationally. Swim'n Play, Inc. conducts every operation used in the manufacture of above-ground pools in its 250,000 square foot factory in Rahway, New Jersey. This New Jersey loca-

tion facilitates speedy delivery of spare and replacement parts, as well as finished products, to all Branch Brook Company stores. The pools manufactured by Swim'n Play, Inc. are among the most durable, finest quality above-ground pools available today. From fabrication to assembly, all products manufactured by Swim'n Play, Inc. must meet rigorous quality control standards before leaving the factory. Never sacrificing quality for price, Branch Brook Company and Swim'n Play, Inc. have a simple philosophy: design and build the highest quality above-ground pools and make them available at "Factory-To-You" prices.

Take a few minutes to examine the contents of the following pages, we feel you will discover why we have such loyal customers, and hope you will soon count yourself among them.

Experience...Quality...Service...Price.....Anything Less Just Won't Do!

why it pays to buy from Branch Brook Company!

We stand behind our product 100%...

Quality

When you buy a pool from Branch Brook Company, you are guaranteed a product which has met the most rigorous quality standards in every stage of its development, from design to manufacture. Using only the finest materials and the most advanced manufacturing techniques available, Swim'n Play, Inc. has created a line of world-class pools sure to provide you and your family with many hours of enjoyment for years to come.

Dependability

From pool accessories by the industry's leading manufacturers, to our superior line of above-ground swimming pools, Branch Brook Company and Swim'n Play, Inc. go to extraordinary lengths to provide our customers with the finest quality merchandise. We also stand behind our products 100%. All warranty claims are processed by trained professionals right in our stores, not by phone or in writing to distant manufacturers. We have a fully-stocked parts department at each of our stores with just the right replacement part for your pool or filter. If not, our factory is conveniently located in Rahway, New Jersey, so you'll never have to spend days or weeks away from your pool while waiting for a part. No matter what the problem, at Branch Brook Company you will always receive the professional, courteous, and expedient service you would expect from an industry leader.

"Factory-To-You" Price

Branch Brook Company is the only retailer in New Jersey selling its own line of above-ground pools. This unique position allows us to eliminate price increases incurred by middlemen, distributors, or freight charges, so we can offer our pools at "factory-to-you" prices. If you do find a lower price on a pool at another retailer, you can be certain their pool is not comparable in quality to a pool by Swim'n Play, Inc. and Branch Brook Company. Since 1938, Branch Brook Company has provided top-quality products at the lowest prices available. With over sixty years of experience in an industry which has recognized our superiority time after time, Branch Brook Company remains the only choice for quality, service, and value.
