- ☐ Your application for a zoning permit is incomplete. In order to process your application, we need the following:

- ☐ Two accurate plot plans, drawn either by a surveyor or an engineer. The plot plan must show all existing and proposed structures, all setbacks from property lines, all dimensions of the lot and structures, and all streets and waterways. No partial, taped, faxed, reduced or enlarged copies can be accepted.

- ☐ A zoning permit application completely filled out and signed by the applicant. No facsimile copies can be accepted.

Upon submission of the required information to the Division of Inspections we will be able to process your application.

X **Your application for a zoning permit cannot be approved for the following reasons: Under Section 190-33.1 of the Township Code a stockade fence must be set back at least 25 feet from the property line at Glenn Drive and you are proposing no setback. In order to build the fence as proposed a variance must first be approved by the Zoning Board of Adjustment. Variance application forms can be obtained from Christine Papa, Board Secretary.**
