The following violation(s) were found

Section 288-8

Title Parking of certain vehicles prohibited. (Overweight vehicles, boats, recreational vehicles, parking

A. No person shall park any bus, mini bus, tractor, trailer of any type, including by way of illustration but not of limitation, trailers for boats, personal watercraft, garden maintenance equipment, motorcycles and containers or equipment as well as cabs and all trucks having a Gross Vehicle Weight Rating (GVWR) of more than four tons on any street or right-of-way within the Township of Brick between the hours of 9:00 p.m. and 6:00 a.m. As used in this section, GVWR is the weight of an "unaltered vehicle". If the vehicle is altered at all after manufacturing, it will be judged by all alterations, size and type, from the cab back.

B. No person shall leave, park, abandon, or otherwise allow or cause to have any bus, cab or truck having a GVWR of more than four tons to be located on any residential lot at any time.

C. No person shall leave, park, abandon, or otherwise allow or cause to be parked on any private residential property or Township street immediately adjacent to said property more than two commercially registered vehicles at any time.

D. No person shall store, leave, or otherwise allow for recreational vehicles or trailers of any type to occupy any residential real property in any of the following circumstances (For the purpose of this section only, "recreational vehicle" shall include, but is not limited to the following: motor homes, motorcycles, boats, jet skis, ATCs and ATVs):

(1) When the placement of the recreational vehicle or trailer obstructs vehicular vision or otherwise impedes or impairs the safe flow of traffic. Placement of recreational vehicles or trailers may not constitute an "obstruction of vision" within the sight triangle at any joining of two streets as defined in the Code at §245-22 as the triangular area formed by intersecting street lines and a line joining points each thirty (30) feet distant from said intersection along said street lines.

(2) The recreational vehicle or trailer is unregistered.

(3) The recreational vehicle or trailer is inoperable.

(4) The recreational vehicle or trailer is placed upon a vacant lot unless the owner also owns and occupies a dwelling immediately adjacent thereto.

(5) The recreational vehicle or trailer does not belong to the owners and occupants of the dwelling which is located on said property or immediately adjacent property.

(6) When the recreational vehicle or trailer shall be permanently beached, grounded or so enclosed or located as to become a permanent structure on any parcel or land or real estate within the Township of Brick. In order to be considered a "permanent structure", the recreational vehicle or trailer shall remain beached, grounded or so enclosed or located on a particular parcel, land or real estate within the Township

of Brick for a period of at least 12 consecutive months. All permanent structures located within the Township require application for and issuance of a building permit by the Construction Code Official of the Township. Removal of the recreational vehicle or trailer for a period of not less than one month, confirmed by a code enforcement officer, followed by subsequent replacement, will not prevent the operation of this provision.

E. Any watercraft, trailer or any recreational vehicle otherwise subject to the provisions of this chapter shall be exempt from said chapter, provided that said watercraft, trailer or recreational vehicle may not stay parked anywhere on the same street or adjacent residential property for any period longer than 36 hours.

F. Whenever a member of one of the building or service trades such as a carpenter, electrician, painter, plumber or television repairman, etc., is engaged in loading or unloading where the parking of a service truck during the performance by such person of his job is necessary, said person shall be exempt from the terms of this section.

G. No person shall sell or display more than one vehicle, boat, trailer or equipment of any kind, from any location except from his or her residential driveway, yard or street directly in front of his or her residence, if legally registered, unless he or she holds an auto dealer's license issued from the Township of Brick.
