Re: 1743 Route 88, Laurelton Plaza
Bricktown, N.J.

Dear Mr. Hennum:

New Jersey Natural Gas Company has been requested to provide a letter regarding the gas service and meters at the above location. After working the past several weeks we have relocated or removed the gas supply to stores #1 and #6. Upon review of the proposed plans for demolition and reconstruction, I see no problem concerning Gas Company property. There are remaining gas meters and services on the property and therefore as a precautionary measure, please contact me the day construction takes place.

If you have any other questions regarding this matter, please feel free to contact me at (201) 349-5524.

Sincerely,
