Block 852, Lots 1 & 2

Dear Mr. Vecchio,

As per your site inspection and your request, this letter and attached drawing is for your records and to notify you of the following corrections/revisions to the above referenced project:

- The attached drawing indicates revised details at the new column footings to remedy the existing poor soil condition found on the proposed new space side of the project.

Should you have any questions or require additional information, please do not hesitate to contact our office.

Very truly yours,
Barlo & Associates, LLC
