Re: EX-R-121-9/92-The Price Club for Routes 88 & 70, Block 1170, Lots 5,6.01 & 6.02, Received September 8, 1992

Dear Sirs:

The Planning Board discussed the attached report from Richard E. Garnett, Mun. Land Surveyor/Planner at the September 16, 1992 Executive Session. Joel Quass of Price Club was present for the discussion. He submitted a revised sketch of the tent location relocating it out of the setback, however, the total square footage is 1,100 sq. ft.

After discussion, the Board determined they would approve a maximum of 1,000 sq. ft. including the trailer and tent. A revised plan showing the exact size and location of the trailer and tent must be submitted for approval prior to the issuance of a building permit.

Very truly yours,

Arthur J. Cierzo

1722 Route 88 - The Price Club

Dear Mr. Quass:

Your application for zoning approval for a construction permit for a membership trailer and tent on the referenced property is denied because under Section 190-240 of the Township Code a site plan, or an exemption, must first be approved by the Planning Board.

Exemption application forms can be obtained from the Land Use office.

RE: EX-R-121_9/92 The Price Club for Routes 88 & 70, Block 1170,
Lots 5,6.01 & 6.02, Received September 8, 1992

Dear Mr. Cierzo:

Thank you for your letter dated September 18, 1992 confirming the Planning Boards decision approving a combined tent and trailer not to exceed 1,000 square feet. The 12'x 64' trailer was replaced on Thursday, Septmeber 24, 1992 with a 10' x 54' model. (See attached invoice) This yields a revised total square footage of 540 sq. ft. for the trailer.

The tent will be installed on Thursday of this week. The exact location is depicted on the attached site plan. The tent will be 20' x 20' (400 sq. ft.). This gives us a combined square footage of 940 sq. ft. and satisfies the Boards requirements.

Sincerely,

Joel E. Quass

Dear Mr. Kinnevy:

During our pre-opening period, Price Club traditionally opens a temporary "tent" on our sites. We receive many inquiries regarding membership prior to opening and have found this to be an orderly way to handle customers stopping by. Once the facility opens, all of our membership activities move inside the warehouse.

Price Club has received approval to operate a temporary trailer on the site. We are asking that this permit, #1725-92, be amended to include use for membership activities. This will include the dissemination of information about Price Club, as well as the actual sign-up of members. Hours of operation will be as follows; Monday-Friday, 10AM-8PM, Saturday, 9AM-6PM, Sunday, 10AM-4PM.

Attached is a sketch showing the location of the trailer and fencing which separates the membership trailer area from the remainder of the site.

If you have any questions regarding this, please feel free to contact me at 920-3900.

Dear Mr. Kinnevy:

Thank you for meeting with me yesterday concerning our membership trailer. As we discussed, Price Club's are a membership warehouse. Part of our success in a community is dependant upon pre-opening sign ups. This has been accomplished in all our previous openings by placing a membership tent adjacent to the site.

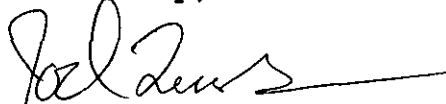

Last fall we placed such a tent next to our membership trailer in Hazlet. In addition to creating awareness, it helped control activities at the trailer. We were able to handle inquiries about employment at the trailer and sign up new members in the tent. During our busiest days we handled about 14 vehicles per hour.

Within the next two weeks, we would like to set up a tent outside our trailer on Block 1170, Lot 5. The location of the tent would be as close to the road as permitted by local ordinance.

All sign up and membership activity will move inside after opening. As you mentioned, the township has approved the temporary use of trailers for banks until they "sign-up" enough new accounts to warrant the construction of a larger facility. We are doing basically the same thing, signing up members in advance of opening a large facility.

Please feel free to call me if you need additional information concerning this request.

Sincerely,

Joel Quass
