Dear Ms. Rebollo:

The signage shop drawings for the location referenced above, prepared by Midtown Neon Sign Corporation are "Approved as Noted" with comments listed dated April 18, 2006.

1. The Tenant must obtain a Signage Permit from the local municipality and send a copy of the Signage Permit to my attention before installing any signage.
2. The Tenant must send me a copy of the Sign Contractor's Certificate of Insurance for review and approval before installing any signage. The insurance requirements are attached.
3. All Tenant signage must be installed pursuant to the Shopping Center Sign Criteria and according to the terms of the Lease Agreement.
4. All costs related to the installation of the signage are the Tenant's responsibility.
5. When installing the sign, proper safety measures must be taken to protect members of the public, the tenants and the people installing the signage. The signage cannot be installed during shopping center business hours unless appropriate safety barricades are used to prevent people from entering the work area.
6. The signage contractor must clean up all screws, materials, and debris before leaving the property.
7. The Tenant and the Sign Contractor will be responsible for any damage to the building, sidewalk, pavement, landscaped areas and any other property belonging to the Landlord or other Tenants.
8. **No colors. All channel letters must be white.**
9. **Sign to be mounted on center of brick façade with equal distances on top and bottom.**
10. **Stainless steel hardware.**
11. **Raceway not to exceed width of letters.**
12. **Boots to be white in color**

13. As the Tenant, you are responsible for distributing this signage review letter to all affected parties including, but not limited to your Signage Contractor.

The Landlord reserves the right to remove any storefront signage at the tenant's expense if it is installed contrary to these conditions. Please be aware that the Landlord's approval of the Tenant's drawings shall in no way be construed as to modify the terms of the lease or the configuration of the demised premises. The Tenant's construction and signage plans are subject to all local jurisdiction review and approvals.

Should you require additional information, please do not hesitate to contact me.

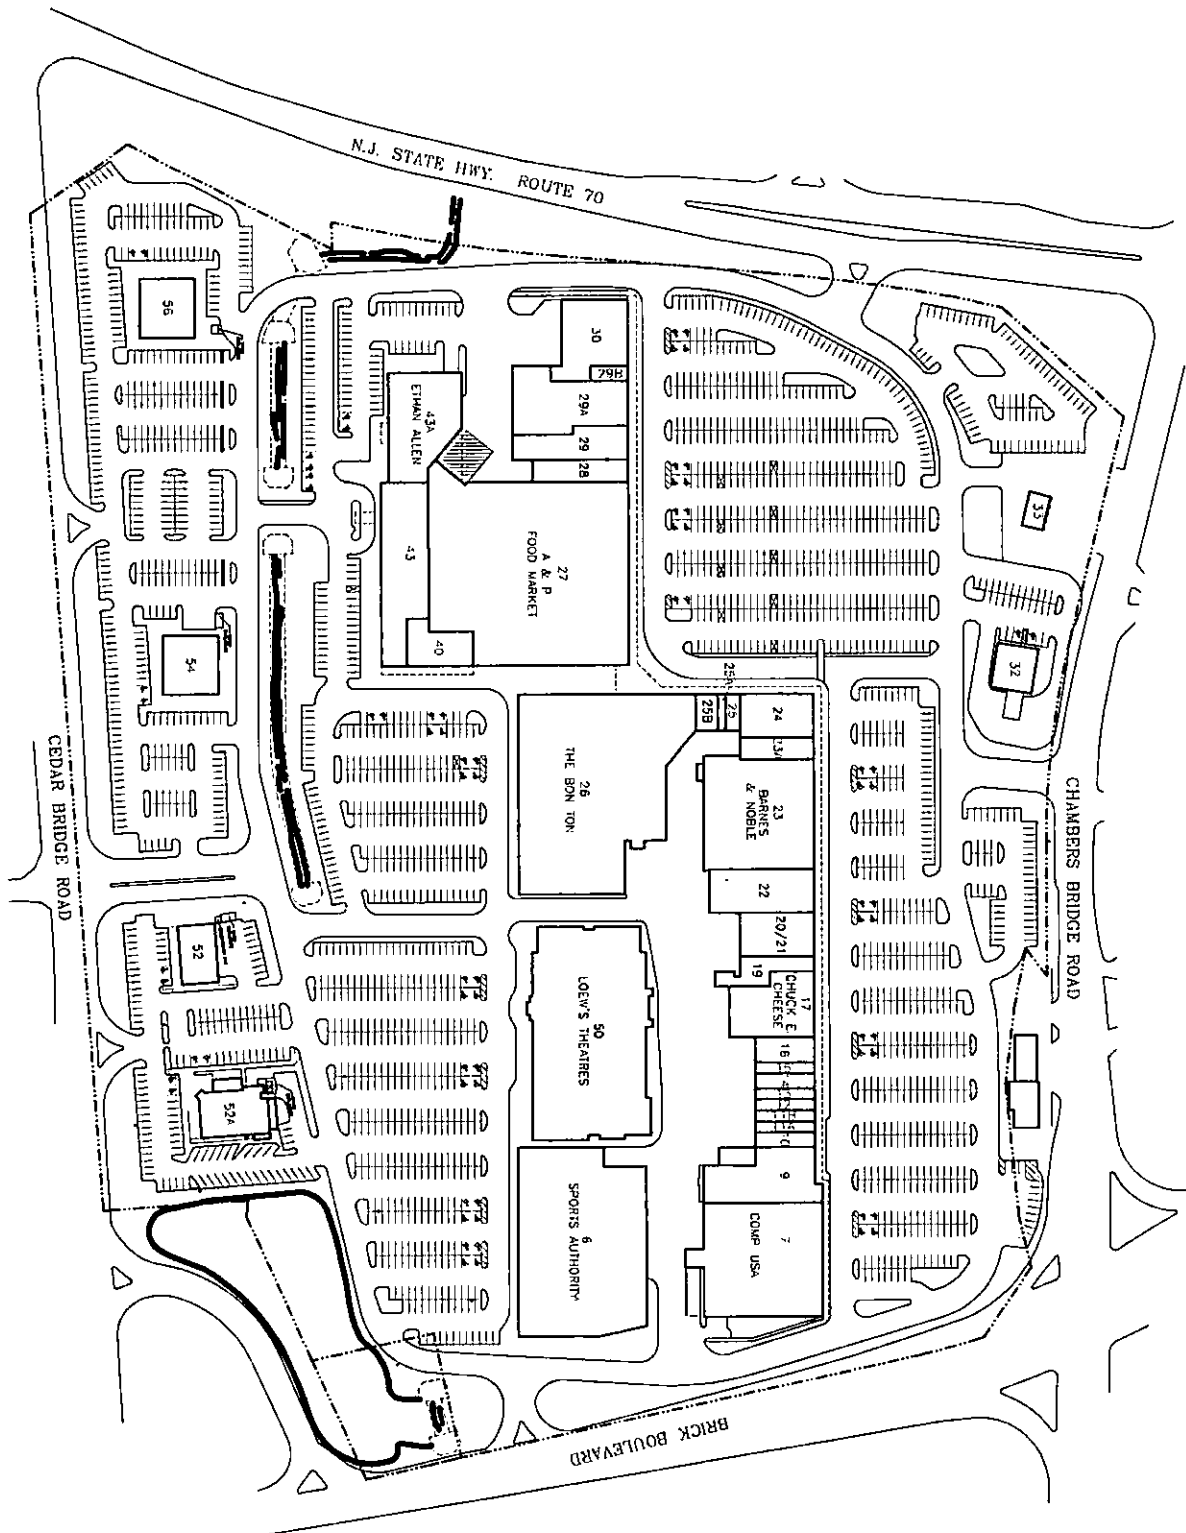

Sincerely,
