RE: Mandee Shop Renovations

Dear Mr. Cierzo:

Enclosed please find three (3) signed and sealed sets of plans for proposed renovations to the Mandee Store Tenant Space in the Brick Town which we are submitting for building permit application review.

We have included the building subcode application and our electrician is sending his signed application to you under separate cover. Since we are only proposing redecoration of the sales floor no plumbing or fire subcode work is planned and no applications for these sections were completed.

We appreciate your assistance and review of this application and if you have any questions don't hesitate to call.

Sincerely,
