Dear Mr. Kinnevy,

Please find enclosed application for a sign to be located in the Brick Plaza. It is a single face wall sign to be mounted on the brick fascia of the wall, above the canopy roof, flat against the wall.

As per our previous conversation, I understand the signage is 15% of the store front and wall area. I have enclosed a picture of the location for your inspection. Also enclosed is a drawing of the sign showing the layout and the actual size.

I trust this is the information you will need. I would appreciate it if you would process this permit. If there are any difficulties, please call me at my office.

Very truly yours,
