Dear Elizabeth City,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

1. A list of property addresses that, as of today, have delinquent property taxes and open property liens. This list needs to include amounts of balances owed.
2. A list of property addresses that have received any code violations since the beginning of the year. Please provide the type of violation.
3. A list of all residential property addresses that are currently vacant or abandoned.

Please put all lists in separate Excel files. PDF is okay too. If up-to-date data is not available, please provide the most recently available information.

Yours faithfully,

souad mehdoun
