Good morning Chief,

I just received a message from Council woman Patton, that she received a message from Sarah Vellner regarding an incident at their complex 2 weeks ago and she wanted answers just letting you know in case she shows up at our council meeting

Thank you

Good Morning,

Thank you for passing along this information. She has been at the Police Department several times recently reporting several different issues involving her neighbors. I will try to make the Council meeting. Also, I wanted to see if you were available to meet sometime soon. I wanted to provide you with some personnel updates that we will need to address this year (retirements, hiring, etc.). If you prefer a phone meeting that will work as well. When you have some time let me know some dates and times that work for you.

Thank you,
