Good morning,

I just spoke with the attorney regarding the request below. Before we involve our computer techs, he suggests we all do a "cursory" search for any document we have that matches this request. Please be advised that this is due on October 12. If your search does not show any documents, please send me an email that you have no such documents. If there is a social media account, please review for your department as well since the Borough of Lindenwold only maintains the website. I am in receipt of the emails from the Administrator as there were only three when she did her search.

Thank you for your assistance in this matter.

Dear Ms. Jackson,

Please be advised that I believe this request should be handled by Bellia as we have no way of searching completely. Please be further advised that we do have our Disposition Request Authorization dated October 25, 2021 allowing us to purge emails dated May 2017 through October 2018. Therefore, we may only be able to search emails dated December 2018 through May 2023.

I hope this is the answer you were looking for earlier when you called me.

Happy Tuesday!

Thank you for your assistance this evening.

Turns out the max size file I can send is 25mb, which means I had to cut the video down into 10 second bites.

1) Attached is the clip showing the part of the footage where the younger man slams the hood of the car with his fists.

2) I will send a subsequent clip showing examples of when the men were threatening Patricia and telling her to get out of the car.

3) And I will send a clip showing when Vance Elder physically assaulted me.

The entire footage is over 11 minutes long, so we will have to get creative about sharing it if you need the whole footage.
