Good morning,

I just spoke with the attorney regarding the request below. Before we involve our computer techs, he suggests we all do a "cursory" search for any document we have that matches this request. Please be advised that this is due on October 12. If your search does not show any documents, please send me an email that you have no such documents. If there is a social media account, please review for your department as well since the Borough of Lindenwold only maintains the website. I am in receipt of the emails from the Administrator as there were only three when she did her search.

Thank you for your assistance in this matter.
