RE: Open Public Records Act (OPRA) Request – received June 23, 2021 – 2021-00702

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

- 1. A list of all residential single family, and multi family properties with code violations on them for the last 3 months from today. Address, and owner name provided please.**

The Construction Department has provided a list of properties with code violations. The Zoning Officer has stated there is no list of residential properties with code violations on file therefore they have no responsive documents for this request.

- 2. A list of all residential vacant land, single family and multi family properties that are currently in the probate process.**

The Township does not have a list of vacant property or a requirement to register a vacant property.

- 3. A list of all residential single family, and multi family properties that are in the eviction process.**

No responsive documents for this request.

- 4. A list of all residential vacant land, single family, and multi family properties that are going through the divorce process.**

No responsive documents for this request.

If you have any further questions regarding this request, I can be reached at AGonzalez@monroetwp.com or 732-656-4573.

Sincerely,
