Joe!

Please just email me. I don't need a detailed report

For example

1990,000 Police calls (no detail on what they were)

500,00 EMS calls(no details on what they were)

THAT IS IT 😊

Call me if you have any questions

Best,

Pam

Hi Pam,

Thanks, we had a great time. I will type something up. I don't usually have anything written. I prepare and then just speak on the topic. I have all of the supporting documents/reports that I create for the meeting to refer to in the event that there are specific questions.
