Dear Mr. Carr:

On December 1, 2022 the Department issued a placement letter to the Wallkill Valley Regional High School (District) on the results of the New Jersey Quality Single Accountability Continuum (NJQSAC) evaluation. At that time, the District was placed on the continuum in each of the five performance evaluation areas in the district performance review (DPR): Instruction and Program, Fiscal Management, Governance, Operations and Personnel.

Following the initial evaluation, the District developed a district improvement plan (DIP) to address all noncompliant areas identified as less than 80% in the table below. The DIP was approved on March 1, 2023. Staff from the Sussex County Office of Education conducted an interim review of the District's progress in the areas identified in the DIP. Below are the initial review placement and interim review placement scores for the District:

NJQSAC Areas	Initial Placement (December 1, 2022)	Interim Placement (September, 2023)	Interim Date Final (October, 2024)
Instruction and Program	75%	78%	75%
Fiscal Management	100%	100%	100%
Governance	100%	100%	100%
Operations	89%	89%	89%
Personnel	97%	97%	97%

These placement results will be presented to the State Board of Education at an upcoming meeting. Please be advised that NJQSAC regulations require the District Board of Education to report these placement results at the next regularly scheduled board meeting.

Since the District has still not satisfied at least 80% of the weighted indicators in the area of Instruction and Program, the District must continue to implement the district improvement plan.

Pursuant to N.J.A.C. 6A:30-4.1, if it is believed that any indicators were scored incorrectly, the District has seven days from the receipt of this letter to submit a written reconsideration request. Email your request to qsac@doe.nj.gov. The Sussex County Office of Education looks forward to working with the District in your improvement efforts.

Sincerely,

A. Robert Gregory
