5-14-26: Additional responsive records emailed to requestor. The records have been redacted to protect reasonable expectations of privacy relative to personal information, including personal email addresses, pursuant to NJSA 47:1A-1 et seq.

Additional time is needed to determine whether the Department of Education maintains additional records responsive to your request, and to review and process any additional records that may exist. Accordingly, the due date is extended to May 26, 2026. Requestor notified by email.

4-24-26: Responsive records for part one emailed to requestor. Regarding part two of your request, a preliminary search using the parameters you identified in your request yielded over 315 emails. In order to fulfill this part of your request, the OPRA custodian would be required to review each of these emails to determine if they were responsive, then conduct a review for any privileged material that needed to be redacted or withheld, and finally conduct a review for any other redactions appropriate under the law, such as redactions of personally identifiable information.

Such a review would be unduly burdensome and substantially disruptive to the DOE's operations. Accordingly, we request that you modify the scope of this part of your request. Otherwise, your request will be denied pursuant to N.J.S.A. 47:1A-5(g), which provides, in pertinent part, "If a request for access to a government record would substantially disrupt agency operations, the custodian may deny access to the record after attempting to reach a reasonable solution with the requestor that accommodates the interests of the requestor and the agency."

Additionally, we have not received a response to our email dated April 14, 2026 regarding part 3 of your request for "correspondence". Pursuant to N.J.S.A. 47:1A-5(g), requests for correspondence must contain: (1) the name or specific job title/position of the sender and/or recipient, (2) a specific subject matter, and (3) a specific date or range of dates, which must be confined to a reasonable time period. Please provide the name or specific job title/position of the sender and/or recipient so that we may process this part of your request. Requestor notified by email.
