Gentlemen,

I am following up on the meeting that I requested to have with all of you. I know Sabrina is good for whenever. I would like to meet with you prior to the township meeting- I think it's easier to discuss things in person rather than me having to come to public comment at the township meeting and ask my questions. I will do my best to make myself available to meet with you during the day or eve on Monday (14th), Tuesday eve (14th) or Weds (15th). (day or eve)
It shouldn't take long, but there are some things I need to chat with you about. Normally, I would meet with a couple times a year with the Twp. committee to discuss recreation topics and this will be our first time 😊

Thanks,

Colleen Herbert
