Re: Open Public Records Act (OPRA) Request
Medicaid Beneficiary Fraud Cases – 2019 Fiscal Year to present

Dear Mr. Larsen:

I am in receipt of your request for records relating to Medicaid Beneficiary Fraud Cases. Please be advised that your request is impermissibly vague as it does not identify specific documents; instead, it is a general request for information to be researched and produced, which is prohibited by the OPRA statute:

While OPRA provides an alternative means of access to government documents not otherwise exempted from its reach, it is not intended as a research tool litigants may use to force government officials to identify and siphon useful information. Rather, OPRA simply operates to make identifiable government records “readily accessible for inspection, copying, or examination.”

MAG Entm't, LLC v. Div. of Alcoholic Beverage Control, 375
N.J. Super. 534, 546 (App. Div. 2005)

In this regard, we cannot fulfill this request. Should you disagree with our decision, please contact us in writing with your concerns so that we may consider them. If I can be of further assistance, please contact me at 732-929-2027, x3135.

Yours very truly,

Dina R. Khajezadeh
