

# An LBR Oil Tank Service

201-989-8801

"For Down to Earth Prices"

January 24, 1996

Proposal Submitted to:

MR. DOUG RYAN

#4 Tottem Way

Morris Plains, NJ 07950

For:

ABANDONMENT of RESIDENTIAL OIL TANK

at:

(same address as above)

By:

An LBR OIL TANK SERVICE

5 Blueberry Lane

Mine Hill, NJ 07803

We hereby submit estimate for: One 550 Gallon Residential Fuel Oil Tank to be:

- Unearthed
- Pump Out #2 Fuel Oil, Sludge, and up to 25 gallons of water.
- Top Cut Open
- Squeegee Cleaned and Wiped Dry
- Backfilled
- Rough Graded

Upon approval of the local inspector, and in accordance with local, State, and Federal regulations, the tank will be filled in place with clean material, then backfilled and rough graded.

**Total Cost for the Above: \$700 - Discounted (There are NO HIDDEN COSTS!)**

**Terms:**

- a.) \$225 will be paid upon the signing of this agreement, and balance due upon inspection of tank.
- b.) Permit will be obtained by the owner of the tank.
- c.) LBR will call for utilities mark-out.
- d.) Owner will mark-out any other underground tanks, wires, pipes, services, etc. that were not located by utilities mark-out.
- e.) Upon the signatures of both parties, this proposal shall become a binding contract.
- f.) Extra costs may be incurred due to the presence of rock or water.

Should the above meet with your approval, at your earliest convenience, please sign, date and return one copy with deposit payable to LBR.
