RE: Request for Public Records

Dear Mr. Paff:

We have reviewed your request and the corresponding letter as prepared by our Solicitor to the Borough's insurer, which consist of exclusively advisory, consultative, deliberative material that is attorney-client privilege as it was legal strategy and advice intended for resolving litigation. As a result, the letter is exempt from status as a government record.

Please be advised that we will be happy to help you with future request.

Respectfully,

Sharon R. Williams, RMC
Municipal Clerk
