B Dickerson spoke with tenant (Dr. Ehab Alshurbagi formerly of California) who informed him that he was only moving personal property into home and not occupying it. He and his family are living in a hotel until landlord gets the Rental CO. I advised tenant why landlord failed the Rental CO inspection and also that for safety reasons no one can sleep in basement (no bedrooms) because of lack of emergency egress. 14 JUL 2022 Result	Not Ready	☒	0	Initial Certificate Application
