Narrative

The complainant, David Winkle, complained that someone shot a hunting arrow and buried it into his roof. Looking at the arrow embeded into the roof, it appeared that someone shot the arrow from a distance. Luckily the arrow did not have a razor broad head but did have a field tip attached. Studying the arrow further, it appeared that the arrow came from the area of Independence Drive, Forked River, NJ. David and I took a ride around the block and noticed a bail of hay (Typically used as a backstop for target bow and arrow practice on the property of 324 Independence Drive, Forked River, NJ, the Hedberg residence. David explained that he is friendly with one of the Hedbergs'and will approach them by himself to see if they could fix his roof and stop shooting arrows into the air.

The value of the damage is \$100.00

Case #2018-1938

Ptl Patrick Watkins #103

Incident Type: Simple Assault/Criminal Mischief

Location: Knights of Columbus, 15 East Lacey Rd, Forked River

Date of Incident: January 21, 2018

On Sunday, January 21, 2018 at 0241 hours Sgt Ronald Buxton, Ptl Robert Duffy, Ptl Elton Copes, Ptl Brian Holt, Ptl Jason Lee and I responded to the Knights of Columbus, 15 East Lacey Rd, Forked River. The caller reported that an attendee, 38 yr, David Winkle, was at a sweet 16 party when he became highly intoxicated, causing property damage and assaulting her and others. The caller further advised us that David was locked outside of the building without a shirt on. I arrived on scene and met with the complaints, 34 yr old, [REDACTED] and 36 yr old, [REDACTED]. [REDACTED] was holding an ice pack to her left eye and she had a complaint of pain to both arms and face while [REDACTED] had dried blood coming from his nose and appeared dazed. Patrol units searched the area for David who left the scene on foot prior to our arrival. Patrol units were unsuccessful in locating David who was walking around highly intoxicated, without a shirt on and in frigid weather conditions where the temperature reached 29 degrees. Sgt Buxton requested a K-9 unit to assist with the search.

[REDACTED] explained that she was hosting a sweet sixteen party for her daughter, 16 yr old [REDACTED]. [REDACTED] stated that the party was suppose to end at midnight but it continued later than expected. [REDACTED] stated that everyone had left and they were in the process of cleaning up when the assault occurred. [REDACTED] stated that she and [REDACTED] were assaulted by David after he was told to leave because of his rude behavior. [REDACTED] stated that [REDACTED] was not an official guest but he was invited by her friend, 34 yr old, Jennifer Madden, who remained on scene. [REDACTED] stated that David became highly intoxicated and was creating a scene by tipping over trash cans, falling asleep on the stage and acting erratic. [REDACTED] stated that they made several attempts to calm him down all of which failed. Christine stated that they managed to get David outside momentarily. [REDACTED] stated that David barged back in the building and broke down a saloon style door near the kitchen. [REDACTED] stated that David ran across the building and threw himself into a wall creating a large hole. [REDACTED] stated that David then assaulted [REDACTED] for no reason.

[REDACTED] stated that she attempted to intervene and was assaulted by David. [REDACTED] stated that she defended herself by grabbing a broom and chasing him outside where they locked him out. When I spoke with [REDACTED] throughout the investigation her statement changed. [REDACTED] reported later that she was attacked first by David and [REDACTED] stepped in to defend her. She then reported that she was assaulted several times by David before they decided to call 911. I then spoke with [REDACTED] who stated that he was unsure of what happened or why David attacked him. [REDACTED] stated that he was drinking as well. I detected an odor of an alcoholic beverage emanating from his breath, his speech was slow and slurred and eyes were droopy. [REDACTED] stated that he felt dizzy as he sat on the floor. I requested EMS who later responded. [REDACTED] were treated at the scene and refused further medical attention.

I then spoke with Jennifer who explained that she invited David. Jennifer reported that David was doing shots of Fire Ball whiskey in the bathroom. Jennifer stated that David became highly intoxicated and was making sexual advances towards

her. Jennifer stated that she refused his advances and attempted to calm him down. Jennifer stated that David continued to cause a disturbance. Jennifer reported that she was able to get him outside but he soon reentered the building by breaking down the saloon door. Jennifer stated that David then went crazy and threw himself into the wall and attacked [REDACTED]. Jennifer stated that she stood behind David and attempted to pull David away. Jennifer stated that she was unsure why David attacked [REDACTED]. Photographs were taken of the damage. I observed a large hole and a small hole on the same wall. I also observed a broken door on the floor near the kitchen. Trash was scattered across the entire area as they tried to clean it up. [REDACTED] stated that they wanted to pursue complaints. They were advised of the complaint procedure.

During the investigation this agency received a report of an intoxicated male with no shirt, walking on Nautilus Blvd and yelling. Ptl Duffy and Ptl Holt responded to the area and located David. K-9 was cancelled prior to their arrival. Ptl Duffy transported David to police headquarters for questioning. I observed minor scratches on his hands and chest. I asked David if he was willing to provide a recorded statement which he agreed. I advised him of his Miranda Rights at which time he refused to answer any questions. Prior to transporting David home he made an excited utterance stating to the effect that Daniel had it coming and you don't hit women. David was brought home by Ptl Duffy.

On January 25, 2018 I spoke with Knights of Columbus representative John Hecker. John stated that he learned about the damage from [REDACTED] father, 38 yr old [REDACTED] who was also in attendance at the party. John stated that he inspected the building the following day after the incident. John stated that there was trash left inside and over filled bags outside. John stated that he located several empty bottles of Jack Daniels whiskey and cases of beer in the trash. John stated that the hall was left in total disarray with doors unlocked. John stated that he was able to fix the door and repair the wall with [REDACTED] help. John reported that [REDACTED] told him that several fights occurred during the party and a juvenile was responsible for damaging the wall. John valued the damage at \$600.00. John stated that he was interested in signing complaints.

I then contacted [REDACTED] who stated that the party became out of control. [REDACTED] stated that he was speaking with a photographer who witnessed a male juvenile run into the wall. [REDACTED] stated that the photographer pointed out the juvenile. [REDACTED] stated that when he confronted the juvenile he gave him a false name. [REDACTED] stated that [REDACTED] identified the juvenile as, 16 yr old, [REDACTED]. [REDACTED] stated that he left the party at approximately 2230 hours. I then spoke with [REDACTED] with permission from [REDACTED] who stated that David initiated the fight between [REDACTED]. She further explained that David broke the door. [REDACTED] confirmed that Vincent damaged the wall.

I contacted John and advised him of my findings. John stated that he was willing to speak with [REDACTED] father, 40 yr old, [REDACTED] and work out a deal for the damage. Photographs of [REDACTED] injuries as well as the damage to the building were submitted to records. There is no further police information at this time.

On 7/16/2018, I conducted a motor vehicle stop on a black Jeep bearing NJ Registration X74EHN. The reason for the stop was for failure to observe traffic signal and speeding. I spoke to the driver, David Winkle who was extremely upset and informed me that his 10 year old son / passenger, [REDACTED] was vomiting blood.

I immediately contacted police dispatch and request first aid to respond to my location. Lacey First Aid arrived on scene and transported C.W. and David to SOCH to be evaluated.

Narrative

On Monday, May 13, 2019, I responded to police headquarters to speak with Jeffrey Johnson regarding LTPD case # 19-13493. During the aforementioned case, Officer Michael Verwey # 98 investigated a simple assault claim which involved Jeffrey and his girlfriend, [REDACTED]. After Officer Verwey's investigation, he completed a complaint-warrant charging Jeffrey with simple assault. In addition, Stephanie applied for and obtained a temporary restraining order against Jeffrey. On Sunday, May 12, 2019, Officer Michael Baldasari # 106 arrested Jeffrey on the complaint-warrant and issued him his copy of the temporary restraining order. See LTPD case # 19-13646. Upon my arrival at police headquarters, I escorted Jeffrey into interview room # one.

Jeffrey informed me that he wanted to provide information that related to Officer Verwey's investigation. Jeffrey stated that after [REDACTED] was granted the temporary restraining order, she began engaging in a text message conversation with him that was sexual in nature. During that conversation [REDACTED] requested Jeffrey to come over to her house, which he did not do. I observed the exchange of text messages, but, at the request of Jeffrey, did not have him forward them to me so that they could be added to the case file. Jeffrey stated that he wanted to show me the text messages to contradict the fact that [REDACTED] felt threatened by him. It should be noted, that the exchange of text messages occurred prior to Jeffrey being aware of and served with the temporary restraining order. I informed Jeffrey to keep the text message conversation in his records and bring them to the temporary restraining order hearing.

Jeffrey then said that he wanted to show me another text message conversation he had with [REDACTED] regarding the simple assault. The conversation occurred on Friday, May 10, 2019, at 1415 hours and it entailed the following:

[REDACTED] "You can't get in trouble unless I say it"

[REDACTED] "I don't want to get you in trouble"

[REDACTED] "It's embarrassing that [REDACTED] mom knows"

Jeffrey: "I have nothing to be embarrassed about. I never hit you or tried to hurt you ever"

[REDACTED] "Yea I know you never have I told them that"

Jeffrey: "Also I recorded the whole thing"

[REDACTED] "Good"

Jeffrey: "I learned my lesson"

Jeffrey would email me the aforementioned text message conversation, which I forwarded to the records bureau to be added to the case file. A property report was also completed.

At that time, Jeffrey requested that I escort him to [REDACTED] so that he could obtain some of his personal belongings. I informed Jeffrey that I would, but first needed consent from [REDACTED]. I contacted Stephanie, who said that she was not home but that Jeffrey could go to the residence and get his personal belongings. Jeffrey and I then responded to [REDACTED] where he collected his personal belongings. At the time, Jeffrey was unable to locate his work clothes. I told Jeffrey that I would contact [REDACTED] and ask her about the work clothes. After Jeffrey took some personal belongings, we left the residence.

I responded back to police headquarters and contacted [REDACTED] regarding the above mentioned text message conversation. Upon speaking with [REDACTED] I asked her if she was assaulted by Jeffrey on 05/09/19. [REDACTED] reiterated that Jeffrey assaulted her on that date. I also asked [REDACTED] about Jeffrey's work clothes and she said that she

gave them to a friend who would drop them off at this agency. I informed [REDACTED] that I would tell Jeffrey about the whereabouts of his work clothes. Our conversation ended.

I contacted Jeffrey and advised him that his work clothes are at [REDACTED] friend's residence and that the friend will drop them off at this agency. I said that I would contact him when the clothes are dropped off. Our conversation ended.

Later that night, Jeffrey's clothes were dropped off at this agency. I contacted Jeffrey and informed him that his clothes were dropped off. David Winkle, a friend of Jeffrey, responded to police headquarters and took possession of the clothes.

No further action was taken in regards to this case.

Investigation Report
Officer Christopher Meyler #102
5/23/2019

On 5/23/2019, I responded to police headquarters to speak with David Winkle in reference to threats. D. Winkle explained that his ex-wife's boyfriend, Robert Muirhead, has been continually calling him throughout the day. D. Winkle explained that when he finally picked up the phone, R. Muirhead told him he was going to come to his house to fight him. D. Winkle was concerned because he has children in his residence.

D. Winkle provided me with R. Muirhead's telephone number. I contacted him regarding this incident, however he denied ever threatening or even calling D. Winkle. I informed him that if he is to arrive a D. Winkle's residence he will be charged with trespassing. R. Muirhead stated that he has no reason to go to D. Winkle's residence.

I informed D. Winkle of the Municipal Court Process if he wishes to sign complaints against R. Muirhead.

Narrative

On 06/25/20 I was dispatched to headquarters for an online report of criminal mischief. Upon arrival I contacted the caller, Tara Schoenberger. Tara stated that on 06/18/20 her child, [REDACTED] (N.W.) was staying the night at her ex husband, David Winkle's house. Tara stated that David intentionally ran over a 7th generation Ipad Pro that belonged to her son. Tara states that David did so, because the Ipad was purchased by her boyfriend, Robert Muirhead. Tara stated that she has no proof that David ran over the Ipad intentionally, but she feels like it was done intentionally. I explained the complaint process to Tara for criminal mischief if she chose to move forward with the matter.

I called and spoke with David. David stated that he was in the process of gathering his sons belongings. David stated that the Ipad was in his sons backpack which was unzipped. David stated that once the kids were safely in the vehicle, he placed the rest of the belongings inside the vehicle. David stated that the Ipad must have fallen out when he tossed the bag in the car. David stated that after he accidentally ran over the Ipad, he called Tara and informed her of the situation. David stated that he offered multiple times to replace the Ipad, which Tara was not interested in. I informed David that Tara was explained the complaint process if she chose to proceed with the matter.

Narrative

On Monday, March 15, 2021, [REDACTED] (41 y/o) dialed 911 to report that he was involved in an altercation with [REDACTED] David Winkle (41 y/o). [REDACTED] subsequently requested police assistance to his residence, [REDACTED], Forked River. I, along with other officers from this agency, responded to the aforementioned address to investigate. Upon my arrival, Officer Joseph Pandorf # S-07 had already arrived on the scene and entered the residence.

After I exited my patrol vehicle, I observed an intoxicated David standing in the driveway with his hands raised in the air. I then approached David, who indicated that there were "no problems." Simultaneously, David placed his hands behind his back as if he perceived that I would be putting him in handcuffs. During this time, I noticed that David had a sheath attached to his right hip with an open box-cutter. Also, a pocketknife was attached to his belt. For officer safety, I took possession of these items without issue.

At that time, David reported being involved in a verbal argument with [REDACTED] regarding family matters. When asked if the argument ever escalated to physical, David stated that it did not. I then requested David on two separate occasions to elaborate on the reason for the verbal argument, but he did not want to provide any further information.

At this time, Sgt. Dimitri Tsarnas # 76 arrived on the scene and entered the residence.

It should be noted that I did not see any visible injuries, nor did David complain of any.

At this time, Officer Dallas Gant # 112 arrived on the scene. I requested Officer Gant to remain with David so that I could enter the residence and speak with [REDACTED] David's aforementioned property was turned over to Officer Gant.

I subsequently entered the residence where Sgt. Tsarnas and Officer Pandorf had been speaking with [REDACTED]. Upon speaking with [REDACTED] I requested him to elaborate on the altercation he had with David. [REDACTED] stated that David called him asking to be picked up. When [REDACTED] picked David up, he concluded that David was intoxicated. [REDACTED] now understood that David needed to be picked up because of his vehicle's interlock device. [REDACTED] then transported David back to his residence, where they engaged in a conversation about David's personal past and future. When the conversation began to upset David, he lunged at [REDACTED] and struck him with a closed fist on top of his head and near his right eye. After both fell to the garage floor, the physical altercation continued until [REDACTED] was able to get up and call 911 for police assistance.

[REDACTED] complained of pain to the top of his head. He displayed redness near his right eye and lacerations to his left hand's knuckles. [REDACTED] was offered medical attention, however, he denied the request.

At this time, Officer Patrick Watkins # 103 arrived on the scene to assist.

At that time, I exited the residence and conversed with David about the newfound information. David acknowledged that there was a physical altercation that occurred but indicated that [REDACTED] was the instigator.

Due to my investigation, I concluded that a physical altercation occurred and deemed David to be the aggressor. I subsequently advised David that he was under arrest for simple assault. I then placed David in handcuffs, utilizing the double locking mechanism, and searched him.

After David was placed in handcuffs, he immediately became antagonistic and problematic. David brought up a previous case where I fingerprinted him and continued to voice his displeasure with me throughout our encounter.

At that time, Officer Watkins escorted David to his patrol vehicle # 67, where he would transport David to police headquarters.

I then walked back into the residence and informed Richard of his domestic violence rights. After having [REDACTED] initialed the VINE form, indicating he understood those rights, I afforded him the opportunity to apply for a Temporary Restraining Order (TRO). David ultimately signed off, denying the request for a TRO. The VINE forms pink copy was given to Richard for his records. I also provided Richard the chance to speak with a member of the Domestic Violence Response Team (DVRT), however, he signed the DVRT form denying their services.

I captured photographs of [REDACTED] and his injuries. The photographs were later burnt onto a CD, printed out, and forwarded to the property clerk. Additionally, I later emailed the photographs to the Ocean County DV Family Court.

At that time, I responded to police headquarters where Officer Watkins was fingerprinting and photographing David. Afterward, David was placed in cell # one (cell log completed).

I then completed complaint-warrant 1512-W-2021-000075 charging David with the following:

1) Simple Assault 2C:12-1A(1)

It should be noted that during this time, David complained of a left elbow injury which was sustained during the altercation with [REDACTED]. Lacey EMS responded to police headquarters and evaluated David. Upon completion of the evaluation, David signed off, refusing advanced medical treatment. Officer Watkins captured photographs of David. The photographs were later burnt onto a CD, printed out, and forwarded to the property clerk.

It should be noted that while David was in the cell, he displayed an agitated demeanor. David routinely shook the cell bars to gain the officer's attention. David would ask the officer several times when the processing would be completed. At no time did David appear to be in extreme pain or in need of immediate medical attention.

After completing the necessary paperwork, I stored my firearm in a secured locker and entered the processing room. I then opened David's cell door, where I observed him lying face down on the bed and pretending to be asleep. I demanded David several times to stand up, however, he refused. I then nudged the bed frame with my right foot, which got his attention. David then stood up and exited the cell - continuing his antagonistic and problematic behavior.

David was secured with the handcuff strap (hands cuffed in the front) and escorted out of the station by Officer Pandorf and myself. During this time, David's antagonistic and problematic behavior continued. When Officer Pandorf and I instructed David to enter patrol vehicle # 69, he tensed up and refused to enter. After several demands to enter the patrol vehicle, Officer Pandorf and I had to physically guide David into the rear of the patrol vehicle. David was then secured with a seatbelt.

At that time, Officer Pandorf and I transported David to the Ocean County Jail. During the transport, David remained antagonistic, however, he never complained of an injury or requested advanced medical treatment.

Upon our arrival at the Ocean County Jail, the Correctional Officers removed David from the rear and brought him into their facility. After a period of time, Correctional Officers brought David back to our patrol vehicle and stated that the nurse would not admit David into

the jail until he was cleared by a doctor. I was then given documentation stating that David left elbow had to be confirmed not fractured before being admitted into the jail.

At that time, Officer Pandorf and I transported David to Community Medical Center, where he received a complete medical evaluation. Once finished with the medical evaluation, it was confirmed that David did not suffer any significant injuries. I subsequently transported David back to the Ocean County Jail, where he was admitted into the jail.

The jail would not accept David's sheath, box cutter and pocketknife. I placed them in a sharps container and secured them in storage locker # N2. A property report was completed and forwarded to the property clerk.

All other completed forms were forwarded to the records bureau to be added to the case file.

Narrative

On Wednesday, June 23, 2021, multiple officers and I responded to the Lacey Liquors (349 U.S. 9 #1 in Lanoka Harbor) for a report of an active fight between two males.

Upon arrival, we met with the alleged involved individuals, Moses Sutton and David Winkle. Both Moses and David denied that a fight occurred between the two and were laughing that we even responded. Patrolman Carver met with the caller who advised him that she did not see the individuals involved in a physical altercation.

There is no further police information at this time.

Narrative

On 07/02/21 I was dispatched to 315 Constitution Drive for a report of a disturbance. Dispatch informed me that the caller, David Winkle stated he had just been involved in a verbal argument with his girlfriend, but would not provide further information. Upon arrival, Patrolman Plis and I met with David who seemed to be intoxicated. I asked David what happened tonight. David was being uncooperative, and was not willing to provide information. I asked again, to which David stated that he had got into a verbal argument with his girlfriend Karen, and she left the house. I asked David if the interaction was ever physical at any point to which he said no. I asked David what was Karen's last name, and date of birth so I could accurately document her within my report. David again became argumentative, and was not willing to provide the information I was requesting. I asked David what the argument was about, to which he said broccoli. After multiple attempts David finally provided Karen's last name, which he spelled incorrectly, but would not provide her date of birth because he did not want to get her involved.

David continued to yell at Patrolman Plis and I when we were attempting to get Karen's phone number so I could contact her regarding this incident. David provided the phone number then continued to yell about previous incidents. At this point, David was no longer providing any information about this incident or why he contacted the police so we cleared the residence.

Once at headquarters, I contacted Karen to ask her what was going on. Karen stated that she had got into a verbal argument with David over money, but would not provide any further information. I asked Karen if at any point the argument turned physical, to which she said no. I asked Karen if she felt harassed by his actions tonight, to which she said no. Karen stated that she was back at her residence in Toms River, and would not be returning to David's tonight. Karen stated that she did not wish to provide any additional information at this time. I informed Karen that if she needed any future assistance to contact us back.

Narrative

On Sunday, March 6, 2022, at approximately 2142 hours, I responded to 315 Constitution Drive, Forked River, for a report of an adult male who entered the caller's residence without his permission.

Upon my arrival, I met with the intoxicated caller, [REDACTED] stated at 0230 hours this morning, his neighbor, William Perry, who resides at 316 Yorktown Drive, entered his residence without his permission. He stated he was sleeping on his couch with one of his dogs inside the residence and his other dog outside. He stated he awoke to the sound of William entering the unlocked rear sliding glass door of the residence. He stated William then slammed the kitchen chair to the ground to wake him up. He stated William said "your dogs outside," in which he replied, "ok." He stated William then said, "Get your shit together. If I see your dog outside again, you're going to have a dead dog." He stated William then exited his residence and returned home. He stated he did not want to pursue complaints against William; he just wanted him to be advised of the complaint.

I observed no surveillance cameras on David's residence.

I then responded to William's residence and spoke with William. William stated the incident took place on 3/4/2022, at approximately 0240 hours. William stated he woke up at approximately 0200 hours because [REDACTED] dog was outside in the backyard barking. He stated since he was up, he went over to [REDACTED] residence to see if he could let the dog inside. He stated he knocked on [REDACTED] front door several times with no answer. He stated he could see [REDACTED] lying on the couch in the living room, not moving. He stated he was beginning to get worried for [REDACTED] safety, so he continued to knock on the front door. He stated [REDACTED] eventually woke up and answered the door. He stated [REDACTED] said, "What's going on" and he replied, "bring your dog inside, or you're going to have a dead dog," referring to it being nineteen degrees that night. He stated he then left the residence and went home.

William stated he and [REDACTED] are friendly towards each other, and this came as a surprise to him regarding the complaint.

No further police assistance was required or requested.

Narrative

On Wednesday, May 25, 2022, at approximately 2056 hours, Patrolman Martin Julian #105, Patrolman Michael Hyle #116, and I responded to 315 Constitution Drive, Forked River, to conduct a welfare check. Dispatch advised officers that [REDACTED] was concerned for the safety of his sister's children, [REDACTED] (Age 14), [REDACTED] (Age 9) and [REDACTED] (Age 9), because they were with their father, David Winkle, who he believed was intoxicated.

Upon arrival, officers met with David, who was standing in his driveway. Officers advised David that our police agency received a call from his brother in law, [REDACTED]. Officers advised David that [REDACTED] requested a welfare check on the children who were present at the residence with David, due to David allegedly being intoxicated. Ptl. Julian asked David if he was drinking tonight. David indicated that he drank "a little bit." David did not appear to be intoxicated and seemed capable of taking care of his children. Officers then spoke with all three children who were present. All three children stated that they were fine.

Approximately ten minutes later, officers responded back to the area and met with [REDACTED]. [REDACTED] stated that he believed David was intoxicated and was incapable of taking care of the children. Officers advised [REDACTED] that we responded to the residence and spoke with David, who did not appear to be intoxicated and seemed capable of taking care of his children. Officers advised [REDACTED] that we spoke with the children and they stated that they were fine. [REDACTED] advised officers that David sent him a threatening text message that stated "If you ever take my son hunting illegally I'll kill you with my bare hands. How dare you scumbag." [REDACTED] stated he did not feel harassed by these text messages and did not wish to pursue complaints at this time. [REDACTED] was advised of the complaint procedure.

Officers then responded back to 315 Constitution Drive and made contact with David. I advised David that officers were aware of the threatening text messages he made towards Clifford. I advised David that [REDACTED] could pursue complaints against him if he felt threatened, or harassed. I advised David to avoid any sort of contact with [REDACTED] to avoid any further issues.

At police headquarters, I notified DCP&P of the incident via telephone. I spoke with Peggy (#1317) and provided her with all of the information regarding this incident. Peggy stated that she would advise the Ocean South office of this incident. Sergeant McKee spoke with the mother of the children, Tara Schoenberger and advised her of the DCP&P notification.

On May 26, 2022, at approximately 1820 hours, [REDACTED] responded to police headquarters looking to pursue complaints against David. Officer Plis advised [REDACTED] that Officer Julian and I would be on duty at 1845 hours and stated that we would speak with him about pursuing criminal complaints. I spoke with [REDACTED] via telephone. [REDACTED] advised me that DCP&P interviewed his nephews and niece at school today, at which time they stated that their father was threatening to kill [REDACTED] while they were in his presence. [REDACTED] stated that he spoke with the children today, who stated that they were afraid of their father. [REDACTED] reported that DCP&P allowed the children to go back with David today and he was concerned for their safety. [REDACTED] stated that he wanted to pursue criminal complaints against David.

I contacted DCP&P for a status update regarding their investigation. I spoke with Alexis from DCP&P and advised her of [REDACTED]'s concerns. Alexis stated that there was no official update at this time. Alexis advised me that the Ocean South Office was handling this investigation, and that they were closed after normal business hours. I asked Alexis for contact information for an Ocean South Office supervisor or if anyone was on call after hours. Alexis indicated that no one from the Ocean South Office is able to be contacted after business hours. After being advised of the incident, Alexis stated that since David threatened [REDACTED] and not his children, there was no direct threat towards the children and there was no immediate danger, therefore the children were allowed to go back to David's

residence. Alexis stated that no one from the Ocean South Office needed to be contacted immediately.

Sergeant John McKee #81 contacted [REDACTED] and Lacey Township Court Administrator, Lisa Tatham, regarding [REDACTED] pursuing criminal complaints against David. Ultimately, it was decided that [REDACTED] would respond to the municipal court on Friday, May 27, 2022 and sign a complaint against David, because he did not want David to get arrested in the presence of the children.

I completed a Lacey Cares form and submitted it to Detective Sergeant Charles May #91 and Detective Adam Ewart #92 via email.

No further police assistance was required or requested.
