On September 29, 2020 at approximately 1253hrs Fraidy Raider submitted an Online Incident Report for fraud. Fraidy made the followings statement in her submission:

"My gmail account and Santander Bank account were hacked into"

After receiving Fraidy's submission, I spoke with her telephonically to obtain additional incident details. Fraidy informed me that the email address that was compromised was [REDACTED] and there were no funds taken from her Santander account. Fraidy did immediately let her financial institution aware of this incident and that account has since been closed. All three credit bureau's have also been made aware of this incident.

A copy of Fraidy's Online Incident Report was submitted along with this report.

End of report.
