Re: Open Public Records Act Request #24-23

Dear Ms. Link:

This letter is in response to your public records request under the Open Public Records Act, received by this agency via email on February 15, 2024, seeking “any and all information pertaining to Rachel DeClementi and/or Richard Link from Brigantine case #20-11389.”

The Open Public Records Act (OPRA), N.J.S.A. 47:1A-1 et seq., provides access to identifiable government records. “[A]n OPRA request must identify with reasonable clarity the documents that the requestor is seeking[.]” Scheeler v. Office of the Governor, 448 N.J. Super. 333, 344 (App. Div. 2017) (citation and internal quotation marks omitted). To meet this standard, more than a “broad, generic description of documents” is necessary. Bart v. Passaic County Public Housing Agency, 406 N.J. Super. 445, 451 (App. Div. 2009). Your request does not seek identifiable government records and therefore, we must respectfully deny your request.

Very truly yours,

Marisa Pescatore
Assistant Prosecutor
Custodian of Records
