145 Crash Description/Narrative

Synopsis: Vehicle 2 was driving south on Whitesville Rd. and was stopped for a red signal in the left lane. Vehicle 1 was towing a trailer (NJ TXR16Z rated for 48,800lbs) loaded with an excavator(VIN: CAT0314ELZJT01322 approximately 40,000lbs). Vehicle 1 was driving west on Rt 70. Vehicle 1 made a right turn onto Whitesville Rd. Upon making the turn, Vehicle 1's loaded trailer and excavator overturned landing on top of Vehicle 2.

Statements: Driver 1 stated he was leaving Brick Hospital and was driving west on Rt. 70. He made a right turn onto Whitesville Rd. Once he made the turn, Driver 1 stated his loaded trailer flipped over and landed on Vehicle 2. Driver 1 denied any injury at this time.

Driver 2 stated she was in the left hand lane driving south on Whitesville Rd and was stopped for a red signal. While stopped, Driver 2 stated she observed Vehicle 1 making a right turn from Rt.70 and then overturn landing on top of her. Driver 2 denied any injury.

Investigation: Approximately 60 feet of skid marks were located from the right hand lane of Rt. 70 extending to the driver side of Vehicle 1. A gauge mark approximately 50 feet long extending from the intersection to the the front driver side corner of the over turned trailer was also present. Based on my investigation, the excavators arm appeared to not have been properly stowed for transit subsequently shifting the trailer's center of gravity. When Driver 1 took the turn at an unsafe speed it resulted in the trailer and excavator overturning and subsequently landing on top of Vehicle 2. Driver 1 is determined to be at fault and was issued a summons for careless driving(39:4-97) and loading so as to spill(39:4-77).

Ocean County Road Department responded to the scene and repaired the damaged roadway.
