Subject: OPRA request - Request For Internal Affairs File information

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or on clicking links from unknown senders.

Dear Hudson County Prosecutor's Office,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

Please provide the internal affairs records of the the following Undersheriff's of the Hudson County Sheriff's Department, Andrew Conti, Francine Shelton, Ramon Vasquez. Pursuant to the NJ Attorney General Internal Affairs Policy and Procedures, please provide a Summary and Conclusions Report for each if applicable. If the records will not be provided under opra, then I will request them under common law pursuant to Rivera v. Union County Prosecutor's Office (A-58-20/084867) (Decided March 14, 2022).

Traditionally the files would be located at the agency itself, but I was referred to you by the sheriffs department, as you are in possession of the undersheriffs files.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Moshe Bendlestein

Please deliver records electronically via email to the below UNIQUE address for all replies to this request:

opra+request-74502-ce58db25@requests.opramachine.com
