Re: OPRA Request 0683-23

Dear Mr. Anderson:

I am in receipt of your recent OPRA request, whereby you requested the following:

All materials submitted by the applicant Active Acquisitions (aka AA) for Burlington County Planning Board File #S22-07-079 from January 1, 2022 until April 18, 2023.

Due to the size of the documents, enclosed please find a CD-R containing the documents responsive to your request. Please be advised that redactions have been made pursuant to the requirements of N.J.S.A. 47:1A-1.1 because they contain "emergency or security information or procedures for any buildings or facility which, if disclosed, would jeopardize security of the building or facility or persons therein". Further, these records have been withheld pursuant to the requirements of Executive Order No. 21 (McGreevey, 2002), because their "inspection, examination or copying would substantially interfere with the State's ability to protect and defend the State and its citizens against acts of sabotage or terrorism, or which, if disclosed, would materially increase the risk or consequences of potential acts of sabotage or terrorism." Please be further advised that draft documents and/or recommendations have been withheld or redacted as they are exempt from disclosure under the "inter-agency or intra-agency advisory, consultative or deliberative material" exemption pursuant to N.J.S.A. 47:1A-1.1.

If you have any questions or concerns, please do not hesitate to contact me. In addition, you should know that if you believe that our response does not comply with existing law, you have the right to bring an action in the Superior Court of New Jersey, or to appeal to the Government Records Council. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. Thank you.

We now consider our response complete. Thank you for the opportunity to be of assistance.

Sincerely,
