## Narrative

On June 1st, 2020, I patrolman A. Solomon #380 was dispatched to the area of Spruce Street and Washington Street for a smoke condition and possible fire. Multiple other units assisted in searching the area. After locating smoke on Spruce Street, Sunview Ct, and Coles way, Engine 5 was able to locate the source of the fire behind 234 Coles Way.

Engine 5 located the source of the smoke to be from a brush fire that started near a fire pit in the woods. They were able to extinguish the fire and contacted the State Forest Fire service in regards to the investigation. Eugene White [REDACTED] Unit B8 of NJ Forest Fire took head of the investigation. He was unable to provide me with a case number for their investigation due to a technical issue at the scene. He stated he would only be documenting the incident for now.

Due to the fire being in the woods, Officers were unable to locate any cameras in the area they might have captured the start of the fire. No further action was taken at this time. End of report.
