Re: Open Public Records Act/Common Law Records Request

Dear FratLawz:

The Borough of Glassboro Records Custodian received your request for records pursuant to the Open Public Records Act (OPRA) and the New Jersey common law right of access, dated March 18, 2023, via email on March 20, 2023. Accordingly, the initial seven (7) business day deadline to respond to your request under OPRA was March 29, 2023. By correspondence dated March 27, 2023 we provided our response to your request via email to the address from which you sent your original request.

By email dated March 27, 2023, you replied as follows:

Subject: [EXTERNAL] OPRA Response Clarification

Dear Ms. Ortiz (& cc: Police Records Custodian):

I received your letter and response to an Open Public Record Access request form today March 27th (attached), I have also CC'd the Police Department Records email as well for this matter if they can assist with the Law Enforcement Records part of this matter.

I was attempting to gain information relating to an incident on March 4th, 2023 at 18 N. Academy Street (Glassboro) as seen in my initial request letter (also attached), you informed me there were no such incidents available for this date and time and believe this may of been some sort of mistake. I am someone who lives in this neighborhood and witnessed the Police and Fire Department arrive on scene at this address to a large scale party and issued numerous citations as confirmed by Police and Fire personnel I asked as a interested citizen due to the loud noise, there were also multiple municipal citations issued at the scene which I assume would have reports for).

Please modify my request if needed to locate these records to include any information in relation to the following cases as an addition to my request #2:

SC 2023 34582
SC 2023 32738 (CD)
SC 2023 33900 (CD)
SC 2023 34212 (CD)
SC 2023 34933 (CD)
SC 2023 34932 (CP)

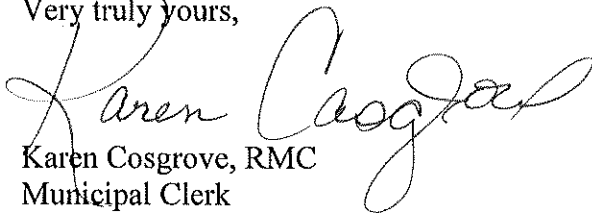

If you could continue to double check if there are any Fire Department records as well that would be most appreciated.

Thank you all for your help for this matter,
FratLawzOpra

As you were advised in our March 27, 2023 response, a search of our available records has identified no records responsive Item 2 of your request. The Police Records Sub-Custodian has responded to your request as to police records for Items 2 and 3, and will separately respond to your March 27, 2023 reply.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Borough of Glassboro to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Very truly yours,

Karen Cosgrove, RMC
