Re: Tree Removal at 401 Gloucester Street, Englewood, NJ
Block: 3702 Lot: 11

Dear Resident,

This office serves as City Engineer for the City of Englewood.

We are in receipt of your request for the removal one (1) regulated tree at the referenced property.

Based on the enclosed request from **Cousins Tree Service LLC**, the proposed removal does not require a permit. The tree is located within 15 feet of an existing structure or 5 feet of a driveway/sidewalk and poses a danger to the structure and occupants.

Please note that no additional tree removal is approved as part of this work.

We ask that you notify anyone associated with the work of the requirements. If you have any questions regarding the above, feel free to call me at (201) 567-0001.

Sincerely,

Nuh Speed

Engineering Technician
