Your request has been forwarded to the appropriate agency(ies) to begin a search for records in accordance with your request. A status and/or response is anticipated on or before July 14, 2023.

 Your request as interpreted by this office, is not a request to "**search**" identifiable government documents, but a request to "**research**" same and as a consequence needs further information/clarification. To qualify under OPRA, a request must reasonably identify a record and not general data, information, or statistics. **Bent v. Township of Stafford. 381 N.J.  Please be advised that we are unable to process certain portion(s) of your request because it does not seek the production of identifiable government record(s) as required under OPRA. A copy of your request is attached and those areas have been highlighted for your reference.

 A **partial response** to your request is attached. The anticipated date for the remaining portion of your request is _____.

 OPRA is in receipt of your responsive records in accordance to your request. The attached represents a **complete response**.

 Your response records contain redactions pursuant to **N.J.S.A. 47:1A-1 Privacy interest** – a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy. **Burnett v.  Your response records contain redactions in order to comply with the requirements of **Daniel's Law. P.L. 2020, c. 125**
