Supplemental Investigation Report

Andrew Coletta and Nicole Gorter came into Headquarters to clarify details in I.R. #25-15585. Coletta wished to further document that online review written by Ilona Nedelko was posted on September 7, 2025. Coletta and Gorter were also concerned that all the information was not transcribed properly, but were explained that the initial report does document their concerns. I further advised them I would document the date of the incident and sent Coletta an Axon Evidence Link to upload any evidence pertaining to the incident.
