We are providing you with a response to the **Police Department** items in your request in a timely manner in accordance with New Jersey Law.

Redactions have been made to remove the following:

date of birth, social security number, address, phone number, driver's license number, VIN;

N.J.S.A. 47:1A-1 provides that "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy." N.J.S.A. 47:1A-9.b allows exemptions from disclosure any grant of confidentiality established or recognized by the Constitution of this State, statute, court rule or judicial case law, to apply to OPRA

With regard to civilian completed incident report

Response: Denied – pursuant to N.J.S.A. 47:1-1.1(provided as a courtesy

With regard to dispatcher, dispatch recordings, any dispatch calls, images, audio recordings, video recordings, aided reports, charge sheets, victim's reports, civilian reported incident statement, vehicle reports, damage reports, booking forms

Response: This request seeks information or asks questions and does not identify specific government records. **As such, your request is an invalid OPRA request and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007). A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See Bent v. Stafford Police Department, 381 N.J.Super. 30, 37
