Subject: OPRA request - Question about status of rent control at 14 Stone

Dear New Brunswick City,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

My colleague recently reached out to officials from the Rent Control Board who redirected us to file an OPRA request about the following question. We are requesting information about whether the property at 14 Stone Street, New Brunswick, is obligated to be registered with the Board, whether the landlords have attempted to register before and whether there have been any lessee complaints about the lack of registration.

Yours faithfully,

Vy Nguyen
