Jodie,

Can you please call Ken Homa and set up a meeting? I recommend you, Chris and Frank attend. If we get too many people in the room, sometimes people feel pressured and become defensive and harden their position.

Councilwoman Smith

It was actually the NJDEP LURP Form (application Form) for the NJDEP Permit Applications and it is attached. We assume since you are asking for it, the Homa's lost it so please have them sign under Section B Owner/Easement Holder. The Mayor will also need to sign again under Section B Owner. Please try and have them use blue pen as the NJDEP requires original signatures on this form.

Thanks for your help

PS – We did not receive a response from Chief Stettler regarding our email to him for Williams Street. We will give him until the end of the week and try again next week. We could also proceed with the field measurements based on our initial recommendation. So lets see what happened the rest of the week.

Have a Great Day !

Hi Frank,

Do you happen to have a copy of the letter that the Mayor delivered to Kenny Homa? If you do could you please send me a copy.

Thank you very much,
